Disability Annexure A

DISABILITY ASSESSMENT QUESTIONNAIRE

Applicants who are currently receiving the funding for students with disabilities do not need to submit this Annexure. Should the nature of your disability change over the term of study, and if this impacts directly on your ability to participate in your educational programme, then you will need to submit updated details and a full medical/rehabilitation report from a certified professional. Failure to provide the information requested on all pages will render this application incomplete. Please complete in detail, in legible handwriting with certification and verification by a registered healthcare professional or disability support office (where indicated). Please see notes at the end of this document for more information regarding the completion of the form. This form should accompany your application for financial assistance if you have indicated that you have a disability. All information contained in this form will remain with the university/university of technology and/or NSFAS only and will remain confidential.

FIRST NAMES (in full, as per your ID document)

Disability information:

This section could be completed by a certified, professionally registered medical doctor or other appropriately qualified professional viz. optometrist, physiotherapist, disability unit head), who can confirm the disability status of the student and state what support the student requires and how the student would benefit from the support proposed.

Please indicate the type of disability in the section below. See the table overleaf for information and explanation of the disabilities.

(please mark with an X)

Table with 2 rows and 6 columns for disability types: Blind, deaf, Deaf-Blind, Hearing Impaired, Physical Disability, Neurodevelopmental Disabilities, Chronic Illness, Deaf, Hard of Hearing, Partially-Sighted, Psychosocial Disabilities, Any other Disability

Please provide further details if you have a disability not mentioned above: (Please give detailed explanation and provide a medical report from a medical practitioner)

Large text box for further details

Psychosocial and neuro-developmental disability - please describe the nature of the support required (a detailed report, not older than 3 years from a registered Psychologist or Psychiatrist will need to be provided to support this application).

Large text box for psychosocial and neuro-developmental disability details

Chronic Illness - please describe the nature of the support required by the student (a detailed recent medical report from a registered medical practitioner will need to be provided to support this application explaining how the condition impacts on the teaching and learning process of the student).

Large text box for chronic illness details

Details of Practitioner: (if completed by the Disability Unit (DU), this form must be completed by the Head of the Unit. The additional medical reports required must accompany this form where appropriate)

Large text box for practitioner details

Please give details as to how the support requested will benefit the student (this section to be completed by the DU):
